Correspondence solicited from every town ship in Rock Island county.

TUESDAY, APRIL 30.

Or course President McKinley will verbial.

Is any of the jury that acquitted ward for his recovery.

Union National bank, of New Orleans. more than they need to pay?

A SUBTERFUGE for independenceand then annexation. This is the latest announced Washington program charge that such a policy as this would eventually settle Cuba's fate, during the campaign of last summer. that brought forth accusations of lying and slandering from the republican side.

THE real motive of J. Pierpont the big financier had not gone abroad sea as well as the land. And when he comes back there will be more need for the ship subsidy bill than ever.

TWENTY-FOUR of the leading bankers, professional men and merchants of Richmond, Mo., have entered into an agreement to parade in shirt waists May 1, tomorrow, when they will march through the principal streets. At night they will give an entertainment and supper to introduce the shirt waist as a substitute for the "swallow-tail" and Tuxedo.

since then. For instance, in the real sums for the pleasures of the people. estate columns of the New York World a week ago it was recorded that 25 acres of vacant land, which Mr. Minnits never knew much about, had center of activity in the 17th century. They include a portion of the historic Fort George elevation.

Kansas witnesses in liquor cases have a habit of pretending not to know what they bought at raided joints. At Burlington the other day a witness swore that he had purchased get out of him. The presiding judge sent the witness to jail for contempt. release, and upon being brought back to the court room he explained that or the Wash near Wisbeach.—London a 'long neck' was a 'high ball.' a "long neck" was a "high ball." The judge and prosecuting attorney needed no more light on the subject. The witness was excused and the joint-keeper convicted.

EDGING TOWARD TARIFF REFORM. Free traders are greatly delighted at the approaching conversion of the Philadelphia Press to the sound doctrines of the tariff reform. For years Mr. Gibson, the Washington correspondent of that paper, has been writing elaborate articles to prove that the protective tariff was a necessity to the survival of our iron and sity to the survival of our iron and survival of our iron and sity to the survival of our iron and survival or our iron and survival or our iron and survival or our iro

editorial giveaway, "the United States produced cheaper iron and steel than any country in the world and under

time when the supply will overrun the demand and the question of cost will then become one of paramount importance. In this the United States will have nothing to fear. Pig iron has been produced in Pennsylvania at an average of \$9 per ton with some margin (of) profit, billets at \$13 to \$14, plates and bars at 80 to 90 cents per hundred pounds, and so on all through the list. We again and can do it as we did before at 10 p. m. with a small margin of profit if neces-

sary, but for the present we are get-

ting 60 to 100 per cent better." This startling confession from the leading protectionist organ of the leading protectionist state nominally edited by a member of the McKinley find the south friendly toward him. cabinet is likely to create a sensation. & St. P. will be done through the Southern courtesy to a guest is pro- It has already warmed the hearts of D., R. I. & N. W. depot, at the foot of the democrats and Babcock republi- Seventeenth street. cans. They reason that if the Press can thus in cold blood confess that Callahan, charged with the abduction Mr. Gibson has founded all his able of young Cudahy at Omaha, should protection arguments on false and de-tickets to Buffalo, N. Y., and return disappear, it is hardly possible that ceiving premises it is near the stage, on account of the Pan-American exeven his best friend would offer a re- as an honest newspaper, of coming over to the reformers. The very subtitle of the article-"Higher Prices THE first official act of Att'y- | Are Maintained Here Now, But Much Gen. Knox was to make a successful Lower Ones Are Possible"-suggests recommendation to the president for the question: If this is true, why the pardon of Joseph N. Wolfson, con- should American steel consumers convicted of stealing \$640,000 from the tinue to pay from 60 to 100 per cent

EDWARD'S SALARY.

London is discussing the king's salary. By act of parliament he will rewith reference to Cuba. It was the ceive an annual stipend of \$2,500,000, compared with that of the president of C., & N. W. railway at the lowest the United States.

Mr. Labouchere, the doughty editor of Truth, caused the first shock to the Londoners. He was the only member of the committee who had the andaci-THE real motive of J. Pierpont ty to question the advisability of paying apparent. It was thought that his efforts to have the matter disfor his health. He is buying up all cussed in committee were fruitless. Only his published statements have with a view to becoming lord of the of defenders for the king and the regal sale, at greatly reduced rates, tickets salary.

Some of the reasons advanced are amusing to Americans. One is the large cost of the "shows" which he is compelled to make on state occasions. Openly, and apparently without a shade of hesitation, some papers put daily, except Sunday, and runs via forward the argument that the vulat and then they won't cause any trouble.

PETER MINNITS came over from Holland in 1626 and bought the island of Manhattan for \$25. The price of the How like the days of Rome in her Manhattan for \$25. The price of the property has stiffened a good deal the later Roman senators who voted

Another reason advanced is just as amusing. Vote the money so that the king will be good. Be liberal with the king and he will not get fractious been sold for \$1,000,000. These acres Let him remain a figurehead and pay are at the opposite end of the island him well for doing so. Don't worry from Bowling Green, which was the him or he may see what there is really to be done in his position.

And so the whole thing is a game of you tickle me and I will tickle you.

A Crownless Coronation.

A coronation without a crown sounds distinctly Irish, yet such was in effect the ceremony in which Henry III took a number of "long necks," and that the most prominent part at Gloucester was all the prosecuting attorney could on Oct. 28, 1216. On this occasion a plain circle was used instead of a crown, which had been lost with the In half a day the man pleaded for his jewels and other baggage of King me a terrible cold and cough. It grew
